**Stonecroft Ministries Canada** has been impacting the lives of Canadian women and their families since 1966. Stonecroft is made up of thousands of women, working together for a common purpose. Some are on staff and many volunteer. Many give, and even more pray. The efforts of all these women have resulted in changed lives. Last year nearly **400 told us they'd begun a relationship with Jesus.**

## **small groups**

Stonecroft continues to be effective in reaching women who don't yet know Jesus. Over the past year we have seen growth in small groups, including **Stonecroft Bible Studies**, where women meet in their homes with neighbors, to learn how the Bible can answer their heart questions.

## **multicultural**

An Arabic speaking group, Sit Al Habayeb, in the Toronto area, is growing rapidly; reaching women from a wide variety of countries with **practical assistance** for settling in Canada, and with the Good News that Jesus loves them.

## **outreach groups**

In 123 Outreach Groups across Canada, more than **7,000 women** heard about Jesus each month.

## **prayer**

Two new prayer initiatives were launched this past year. Women are gathering in **Community Prayer Links** to pray for their communities and for Canada. Others are joining the **Stonecroft Prayer Force**, committing to pray regularly and specifically for the ministry.

## **website**

Since we launched our Canadian website [www.stonecroftcanada.org](http://www.stonecroftcanada.org), people around the world have logged on and heard how Jesus changes lives. We've linked women with local groups and provided Bible studies. Our facebook group, **Healthy Connections**, is growing with meaningful resources for the whole woman.

## **advancing evangelism fund**

We awarded \$57,300 in grants from our **AE Fund**, enabling groups like Village Missions Canada, Sit Al Habayeb and Stonecroft Planning Teams to undertake new initiatives in reaching people with the Good News of Jesus.

## **provision**

Many gave generously this year and we reduced our deficit. We are grateful for the financial support of many friends, moving us closer to a **balanced budget**. Reaching that goal would free up even more funds for new initiatives ~ to the glory of God.

*"All this is for your benefit, so that the grace that is reaching more and more people may cause thanksgiving to overflow to the glory of God."*
